

## **Finding the right candidate and closing the financial talent gap in Texas is what we do best.**

*With today's employers requiring financial professionals to make an impact on their business goals and objectives, greater demand is placed on external sources to provide the right talent.*

### **Superior Financial Recruiting - Exclusively by CPAs**

Recruiting Edge, LLC specializes in superior financial recruiting for central Texas employers. Led by experienced CPAs, our successful staffing teams introduce a proven talent advantage solution for permanent placements and interim talent. We leverage years of financial expertise, including Big 4 accounting, with unparalleled insight into corporate cultures and diverse work environments to ensure our CPA recruiters go beyond the resume to source the most in-demand financial professionals and leaders.

### **Linking You to the Local "Texas Connection"**

Based in Texas, Recruiting Edge, LLC is the "Texas Connection" linking today's Texas employers and financial professionals. Rooted deeply within the Texas financial arena, our successful CPA recruiters bring a winning combination of local experience, deep resources and access to top financial talent within the state.

### **Your Headache- and Risk-free Solution**

Increasing your successful hires is our goal. Our simple, contingent-based fee for permanent hires, and competitive hourly rates for interim staff, offers the headache- and risk-free solution you expect. You have nothing to lose and only talent to gain.
